

# Continue the Harvest!

## Fall Vegetable Gardening

In the NC Piedmont, you can have something growing all year. And with a little protection, you can keep lots of crops growing into cold weather. We'll look at ways to grow food later in the year and have more fresh food from you garden!

We will be working on the farm, so please dress for the weather and wear closed toed shoes. This is a hands on class, so be prepared to spend most of the time in the field. A water bottle, sunscreen and a hat are also recommended.

**Monday, September 10**  
**6:30 p.m.-9:30 p.m.**

**Lomax Incubator Farm**  
**3445 Atando Rd., Concord, N.C.**  
**Datatel #90796**

**COST: \$25.00**

Please register soon, as class size is limited! Call **704-216-RCCC (7222)** or register online through WebAdvisor (go to WebAdvisor, click "Students," then "Register and Pay for Continuing Education Classes").
