Agreement Guidelines

This section sets forth the general guidelines for this transfer agreement to begin Fall 2015. Both institutions agree to abide by these guidelines and review them for renewal every two years. This agreement may be terminated by either institution by submitting a *written notice of intent* at least 90 days in advance. Likewise, any addenda to this agreement should be agreed to by both institutions.

Admissions Requirements

Students must meet all the admissions requirements for UNC Charlotte including completion of the application, submission of official transcripts from all institutions attended, and payment of the application fee. After acceptance to UNC Charlotte, students must submit a digital portfolio of work during the Department of Art & Art History's yearly entrance portfolio review and be accepted into the art major pending that review. Entrance portfolio reviews are held each Spring semester. Upon acceptance into the art major, enrollment in coursework begins in Summer and Fall semesters only.

Students are encouraged to begin the application process one year in advance of their intended Fall enrollment year. Deadlines and requirements are detailed on the Department of Art & Art History's website each year. RCCC students are subject to the requirements stated for their intended year of enrollment in UNC Charlotte.

Transfer Credit Equivalencies and Graduation Requirements

Students must meet the residency and graduation requirements of UNC Charlotte's Department of Art & Art History according to their catalog of entry. Students must attain an AFA degree from RCCC and may transfer a maximum of (64) semester credit hours from RCCC. The remaining (120) degree hours must be completed through UNC Charlotte's art major and BFA concentration requirements.

Students will receive transfer credit for art and art history courses taken at RCCC according to the Degree Plans (attached) only by completing the AFA degree at RCCC. Additionally, students should follow the suggested coursework at RCCC for their intended concentration area at UNC Charlotte as listed in Degree Plans (attached). Other courses taken at RCCC will be evaluated for transfer on a course-by-course basis by the Undergraduate Admissions Office at UNC Charlotte. To receive credit for a course, a student must have earned a "C" or better. A status of incomplete will not be considered for transfer equivalency.

Degree Plans

Degree plans for UNC Charlotte's BFA concentrations are attached to this document. Students must follow the suggested coursework at RCCC from the degree plans for their intended concentration area to be eligible to take the listed coursework in the major at UNC Charlotte upon entrance.
