**To be eligible to participate in the competitive admissions process for Fall 2018, an applicant must complete items 1-6 by the above deadline.**

1. **Complete college admission process:** Submit an online application, official high school transcript (with graduation date) or GED and official college transcripts if applicable.

2. **Meet minimum placement test scores in English, Reading, Math, Algebra, and computer.** Test scores must be completed within previous 5 years.
   
   or

   **English and Reading:** composite Reading and English NC DAP score of 151+ or completion of DRE 098

   **Math:** Mastery of DMA math modules 010, 020 and 030 or completion of MAT 060

   **Algebra:** Mastery of DMA math modules 040 and 050 or completion of MAT 070

   **Computer:** Computer Skills Placement (CSP) score of 60%+ or completion of CIS 110

   The above requirements may also be met by college level English and math coursework, SAT/ACT scores, or recent high school graduates who meet certain academic standards.

3. **Complete Individual Admissions Eligibility Review Session:** Please contact one of the persons below for an appointment as soon as possible after completing the first two items. **Delay may affect your admission status.**
   
   Ellen Troutman: Health Programs Faculty Advisor - North Campus  ellen.troutman@rccc.edu

   Dennis Jones: Health Programs Admission Coordinator - South Campus  dennis.jones@rccc.edu

   Advisor in the RCCC Academic and Career Advising (ACA) Centers

4. **Attend a required Radiography program information session.** Applicants are required to attend one session each year. Attendance in a past year(s) does not fulfill this requirement. Registration is required. Register on the RCCC website. See next page for directions.

5. **Meet biology and chemistry/physics competencies:**
   - Completion of a high school or college biology course with a grade of “C” or higher
   - Completion of a high school or college chemistry or physics course with a grade of “C” or higher

6. **Submit a Fall 2018 Admission Eligibility Review Form**
   
   File reviews for Fall 2018 eligibility will be conducted only on applicants who have submitted this Form. This form is required each year and is available upon referral to Robin Seropian (robin.seropian@rccc.edu) or Dennis Jones (dennis.jones@rccc.edu).
After completion of Fall 2018 Radiography Minimum Admission Requirements (MAR):

Program Admission Testing and Point System Evaluation
Eligible students will submit acceptable Kaplan or TEAS admission test scores from 2017 or 2018. The RCCC Testing Center will offer testing opportunities for qualified applicants tentatively scheduled to be administered in February/March 2018. Only students who meet the qualifying score(s) will continue on to the point system evaluation to be ranked and offered contingent acceptance or placed on an alternate list for Fall 2018 admission.

Contingent Acceptance
Completion of the following is required only for those who have been offered conditional acceptance into the program. Information and forms will be provided by the program at a health packet information session in April 2018.

- Current CPR certification (BLS Provider level)
- **Background Report/Drug Screen:** Clinical facilities require criminal background checks and drug screening for students assigned to their facility for clinical education. In addition, national and/or state registry and licensure boards may prohibit eligibility for registry or licensure based on criminal background records. If a student is denied access to participate in clinical practice by the facility based on criminal background check and/or drug screen results, the student will NOT receive a secondary placement in another facility. The student will not be able to meet competencies required for progression in the program.
- Physical Examination/Current Immunization Documentation

---

2017 Information Sessions for Fall 2018 Admission

All sessions will be held in the RCCC Building on the North Carolina Research Campus in Kannapolis, NC from 1 – 3pm in Room 115. Applicants are required to attend one session in 2017. Please make an effort to attend the next available session. Attendance in a past year(s) does not fulfill this requirement. Please reserve a seat on the RCCC website. Go to [www.rccc.edu](http://www.rccc.edu) and type “Health Programs Information Sessions” in the search box. Under the Radiography Program heading, complete registration.

Research Campus address: 399 Biotechnology Lane Kannapolis, NC 28083

***For more information about the Radiography program, go to [www.rccc.edu](http://www.rccc.edu)
