

Certified **BILLING & CODING** SPECIALIST

The Certified Billing and Coding Specialist (CBCS) course will prepare each student for entry level positions as a medical biller. All participants will gain knowledge about the medical billing cycle, revenue cycle management, medical coding and billing concepts. Each student will master the concept of medical billing and gain an understanding of guidelines as it pertains to the medical claims processing.

Each participant will be given assignments and tasks that will assist with theory and concepts. Upon successful completion of this course, each student will receive a certificate of completion from Rowan-Cabarrus Community College and will be eligible for the certification examination through the National Healthcareers Association (NHA).
