The **PHARMACY TECHNICIAN PROGRAM** at Rowan-Cabarrus Community College provides the technical and practical training to allow the graduate to work as an assistant to a licensed pharmacist in both retail and hospital settings. The course also prepares the student to take the National Pharmacy Technician Certification Exam given by the Pharmacy Technician Certification Board. Classes consist of lecture, multimedia, discussion, text and workbook assignments, independent research, and tests of competency and understanding.

“Being a CPhT is not just a title, it is a profession that takes caring and dedication.”

— **Theresa Rhoades, CPhT**
