Dear Prospective Student:

Welcome to Rowan-Cabarrus Community College. We thank you for choosing our Basic Law Enforcement Training Course to begin your Law Enforcement Career. The course should be taken by newly employed or prospective law enforcement officers seeking to meet the certification requirements of the North Carolina Criminal Justice Education and Training Standards Commission or the North Carolina Sheriff’s Education and Training Standards Commission.

The day course consists of 690 hours of instruction. This is 18 weeks of instruction that begins each day at 7:30 AM and ends at 5:30 PM, Monday through Friday. There will be some Saturday and Sunday, as well as evening classes.

The night course consists of 690 hours of instruction. This is 36 weeks of instruction. Night classes run Monday through Thursday beginning at 5:30 PM and ending at 11:00 PM. Some classes will be held on Saturday and Sunday. The weekend classes typically begin at 8:00 AM and end at 5:00 PM or 10:00 AM to 10:00 PM.

Revised 05/27/2020  Memo to Applicants -- Page 1 of 7
Rowan-Cabarrus Community College requires all Basic Law Enforcement Training Students to be sponsored or employed by a Certified North Carolina Law Enforcement Agency. **Note:** Students must be sponsored or employed by a certified North Carolina Law Enforcement Agency prior to enrollment, and maintain that sponsorship/employment throughout the entirety of the course.

To obtain sponsorship or employment, students should contact a certified N.C. Law Enforcement Agency and request sponsorship or employment. Law Enforcement Agencies in our two-county service areas are familiar with this process. **Note:** All Law Enforcement Agencies in our service areas are listed in an attachment to this packet. This attachment lists agency names and phone numbers for those personnel involved in this process.

Prior to contacting the Sponsoring Agency, the prospective trainee must obtain a certified criminal records check for local and state records for the time period since the trainee has become an adult (16 yrs. old), and from all locations where the trainee has resided since becoming an adult. This also applies to applicants that have previously lived in other states as a civilian or while serving in the U.S. Military. An Administrative Office of the Courts criminal records check or a comparable out-of-state check will satisfy this requirement. **Note:** This information can be obtained from the “Clerk of Courts” office in the county of residence. There is usually a nominal fee for a certified Criminal Records Check. **Note:** Applicants with previous Military Service please see the attached contact sheet for Criminal Records Checks of Military Personnel. Upon contacting the sponsoring agency, the prospective trainee should present the agency with a copy of his/her Criminal Records Check. The sponsoring/employing agency will maintain copies of this Criminal Records Check and ensure there is nothing in the prospective student’s past that would inhibit their certification as a Law Enforcement Officer in North Carolina. The original criminal records check must accompany your application to the School Director.

Students must pre-register, by presenting to the School Director as soon as possible, a signed Verification of Sponsorship or Verification of Employment (see enclosed forms), a copy of TABE Test results, copy of North Carolina Drivers License, copy of Social Security Card, copy of his/her High School Diploma/GED or College or University Diploma, and the original certified copy of his/her criminal records check. **Note:** High School Diplomas earned through correspondence enrollment are not recognized toward minimum educational requirements. Vocational Diplomas or High School Certificates also do not meet the minimum educational requirements. When the student pre-registers, he/she will receive the remainder of the necessary forms to be completed and returned to the School Director’s office TWO WEEKS PRIOR TO THE FIRST DAY OF CLASS. These forms will include:

- BLET Student Data File Card (Blue for Day Class/Beige for Night Class)
- Medical Questionnaire (Purple)
- Medical Screening Guidelines (F-1 & F-2)/Tear Gas form

**ALL COMPLETED MEDICAL FORMS INCLUDING F-1; F-2; must be mailed to the school director BY THE PHYSICIAN and received two (2) weeks prior to the first day of class. These forms will be given to the student upon pre-registration. SATISFACTORY HEALTH DOCUMENTED BY A PHYSICIAN IS MANDATORY FOR ACCEPTANCE INTO THE PROGRAM.**
REGISTRATION/ORIENTATION will be conducted for all program applicants on the first day of class. At this time, the student must show their current/valid driver’s license to the School Director. The student must also be prepared to pay by check (written to RCCC) or CORRECT CASH the following fees in the amount of $127. A billing letter from the employing agency may be used if desired.

- Student Activity Fee $34.00 (insurance is included)
- Technology Fee $36.00
- Campus Access Fee $20.00
- Graduation Fee $ 7.00

Agency administrators and training officers are invited and encouraged to attend the REGISTRATION/ORIENTATION which will include presentation of the BLET rules and regulations and requirements for completion of the course. Therefore, be prepared and look your very best. You are starting a reputation for yourself right now.

**Top Hat** – Students and instructors will use an interactive learning application, Top Hat during class lectures. Top Hat allows students to respond to designated instructor questions through an electronic device (smart phone, tablet, or laptop). Students will receive an invitation to join the BLET Top Hat course via email. Each student must create a Top Hat account and pay a $30.00 usage fee. Students pay this fee directly to Top Hat during the account set-up, which covers the entire semester. If any issues arise, we will correct any issues during the orientation on the first day of class. **This is a requirement for the course.**

**NOTE:** All students must attend the orientation delivered on the first day of class. (**NOTE:** This also includes limited or partial enrollees.)

**Note:** As required by the North Carolina Administrative Code 12 NCAC 09B .0204, we must have ten (10) students enrolled on the first day of class in order to offer the program. If we do not have the minimum 10 students enrolled, the class will be cancelled.

**Full acceptance into the BLET program is based upon** Score at level DRE 098…or has taken the reading component of a nationally standardized test within one year prior to admission to Basic Law Enforcement Training and has scored at or above the tenth grade level or the equivalent…the student's ability to meet required admission criteria.

Students **Employed** by a law enforcement agency **must** be given priority admission according to the North Carolina Administrative Code. All other students will be accepted in the order in which initial contact with the school was made and criteria met.

General Information on Basic Law Enforcement Training:

1. The successful completion of Physical Fitness Training (PT) is mandatory. It would benefit BLET students, once they have been cleared by a licensed physician, to immediately begin an exercise program (push-ups, jogging, sit-ups, stretching, and exercises that will enhance upper body strength). All students should be aware that the ultimate responsibility of success is with the individual.

2. The North Carolina Criminal Justice Education Training and Standards Division and the North Carolina Sheriffs’ Education Training & Standards Division require that all absences be made up. Our experience has shown that make-up time, accomplished under the direction of the instructor at night or on Saturday, is best. In some instances, attending another institution's BLET for make-up can serve the individual's needs. All make-up time must be approved by the school director.

3. Rowan-Cabarrus Community College provides sponsored students the following equipment and supplies:

   A. Police Shotgun
   B. Shotgun Ammunition
   C. Patrol Rifle
   D. Rifle Ammunition

Rowan-Cabarrus Community College
Frequently Asked Questions by
Basic Law Enforcement Training Students

1. What is a “Sponsorship”, and does everyone have to have one?

The Basic Law Enforcement Training Program at Rowan-Cabarrus requires all students in the course to be sponsored or employed by a public (municipal, county, or state) North Carolina law enforcement agency and maintain that sponsorship or employment throughout the course. Sponsorship simply means that a municipal, county, or state North Carolina Law Enforcement Agency Head or his/her designee has met and talked with you and is willing to sponsor you for Basic Law Enforcement Training. This requirement keeps our local service agencies involved in the enrollment process. The signed sponsorship form does not obligate the sponsoring agency to hire you upon your successful completion of the course, nor does it obligate you to take a job with the sponsoring agency. The signed verification of sponsorship/employment form does in fact waive the student’s tuition costs for the course. This waiver applies to tuition only. The student is still responsible for the costs of books, uniforms, supplies, and fees.

2. How do I obtain a sponsorship?

Listed in the information packet you received from the Law Enforcement Training Office you will find sponsorship/employment list for Rowan and Cabarrus Counties. However, we would accept a sponsorship from an agency outside these two counties provided they are either a municipal, county, or State North Carolina Law Enforcement Agency. Simply contact one of the listed service agencies and request a sponsorship. Agency contact people and their phone numbers are listed. Students may NOT be sponsored by a private security company or a private campus police agency. **Note:** The mere fact that a particular security company or campus police agency has some sworn positions with the powers of arrest has no bearing on this. Tuition can only be waived by employment or sponsorship from a municipal, county or State North Carolina Law Enforcement Agency. **The key is Municipal, County or State North Carolina Law Enforcement Agency.**

3. Does the sponsoring agency help me with the cost of the course?

No. There is no monetary assistance from the sponsoring agency nor is there any promise to employ upon successful completion. **Note:** The signed sponsorship form from the agency does in fact waive your tuition with the North Carolina Community College System for the course as stated above.
4. Can I simply pay for the course on my own and not be sponsored or employed?

The answer to this question is “NO.” Each student must be sponsored or employed by a municipal, county, or State North Carolina Law Enforcement Agency prior to being enrolled into the course and must maintain that sponsorship or employment throughout the course.

5. Does a signed sponsorship form guarantee me a seat in the class?

No. The student must meet all the admission criteria and produce required documentation prior to being enrolled in the class. Also, students holding full-time employment with a municipal, county, or State North Carolina Law Enforcement Agency must be given priority enrollment into the Basic Law Enforcement Training Course as required by the North Carolina Administrative Code.

6. Do I have to produce a Criminal Record Check from every place I have ever lived since I was sixteen (16) years old? What if I have lived in more than one state?

The answer to this question is ”YES”. If you have lived in more than one county or state, you must produce a Certified Criminal Records Check from the “Clerk of Courts Office” in each county and State you have lived in since you were sixteen years old. Note: If I see you graduated from a high school in some other state, I know you were at least sixteen (16) when you graduated high school, so I will need a certified Criminal Records Check from that location. Yes, this also applies to all times you were a member of the Armed Forces. This means a certified Criminal Records check from your particular branch of Military Service as well as a local certified Criminal Record Check from each location you resided while in the Military. We will also need a copy of your Military form DD214.

Note: This Criminal Record Check is required by the North Carolina Administrative Code and is completed in a good faith effort to ensure there is nothing in your Criminal Record that would inhibit your certification as a Sworn Law Enforcement Officer in North Carolina.

7. I did not graduate from my regular high school. However, I took a course through the mail or on-line and now have my high school diploma from the institution that provided the course. Will this meet the high school diploma requirement?

The answer to this question is “NO.” North Carolina Criminal Justice Education Training & Standards Division does not recognize correspondence or on-line high school diplomas. Only a regular high school diploma or GED diploma will meet this requirement. High School diplomas obtained through “Home School” programs certified through the North Carolina Department of Education do meet this requirement. Note: It is also important to know that Vocational Diplomas or
High School Certificates also do not meet the minimum educational requirements. If you do not have a copy of your high school diploma and plan to use a transcript, you must present a certified transcript from your high school.

8. I just went to my family doctor a short time ago to get a physical. Can I bring these papers in for my physical?

The answer to this question is “NO.” Each candidate must produce a valid F-1 & F-2 less than one (1) year old completed by a physician licensed to practice medicine in North Carolina. You will need to pick these forms (Medical Screening Guidelines, F-1 Medical History Statement and F-2 Physical Examination report) up from the Law Enforcement Training Office. You may then give these forms to your family physician prior to the examination. The Medical Screening Guidelines explains to the examining physician the type of program in which you are enrolling and defines the physical requirements of an entry-level law enforcement officer.

9. How much does the course cost?

This cost can vary. For example, you may not have to purchase black leather shoes, running shoes, etc., if you already have them. However, you will have to purchase these items if you don’t already have them. You will have to purchase your textbooks and you will need them on the first day of class. Your tuition for the course is waived by your sponsorship or employment. Please see the items listed below for an approximate cost of the course.

**Cost Estimate**
**Basic Law Enforcement Training**

- 5.11 Navy Pants 3 pair @ $39.90 ea = $119.70 (Uniform Vendor)
- Black Velcro Belt @ $18.99 - $20.99 (Uniform Vendor)
- BLET Polo Shirt 3 @ $22.00ea = $66.00 (Uniform Vendor)
*- Black Leather Shoes = $50.00 (Local Vendor)
*- Running Shoes = $75.00 (Local Vendor)
- Physical Fitness Clothes = $75.00 (Uniform Vendor)
- Student Fees = $127.00 (RCCC Business Office)
*- Physical Examination = $150.00 (Licensed N.C. Physician)
- Textbooks = $775.75 (N.C, Justice Academy)

Total = $1457.44 (Estimate Only)

* Note: You may already own some of these items that would suffice. Contact the School Director for specific questions.

**Note:** The above costs are approximate figures on 1/02/2020 and are simply an estimate and does not include N.C. 8% sales tax. This estimate could be lower if the student already has things like black leather shoes and running shoes.
10. My friend just recently graduated from Basic Law Enforcement Training at Rowan-Cabarrus. Can I use his textbooks to save the expense of new ones?

The answer to this question is “NO.” The Basic Law Enforcement Training Manual is updated on a regular basis. Therefore, you will need the latest version for class in order to adequately prepare for the State Comprehensive Examination.

11. I was a Military Policeman in the Armed Forces (Army, Navy, Air Force, Marines) I won’t have to take the entire course, right?

The answer to this question is, “Maybe.” If you maintained a clean military record, been awarded a military law enforcement MOS, completed a military law enforcement training program and completed 2 years full-time assignment in military law enforcement, you can submit Form F-21 to the appropriate Standards Division for an evaluation. You may be granted limited enrollment and credit for 142 hours of training.

12. I am a certified EMT (Emergency Medical Technician). I will not be required to take the thirty-two (32) hour block of instruction of First Responder, right?

Yes. Even though you are a certified EMT, you will still be required to successfully complete the thirty-two-hour block of instruction in First Responder.

13. I have a Glock Model 17 Semi-Automatic 9MM pistol. I will be allowed to use my own weapon during Firearms Training, right?

“NO.” The only students allowed to use a weapon other than those owned by the College are those EMPLOYED students using departmental-issued weapons. All other students (SPONSORED) will be required to use college-issued duty gear and weapon.

14. What type of weapons and duty gear does the college use?

The College uses Glock Model # 17 9MM semi-automatic pistols, Remington Model # 870 12 ga. pump action shotguns, and the Smith & Wesson M & P rifle. The college will also furnish duty gear to include duty belt, belt keepers, magazine pouch, holster, handcuff case, handcuffs/key, flashlight, flashlight holder, radio, radio case, baton, baton scabbard and extra magazines to all sponsored students.

15. How long is the course and is it hard?

The course is 8-9 hours a day for eighteen (18) weeks (Day), Night course (35 Weeks). The course is not easy by any means. You must be proficient in all thirty-six (36) blocks of instruction.

Note: You can not expect to make it through this course if you are not willing to study!
16. Can I get financial aid through the college for this course?

No. There is no standardized financial aid available for this course other than V.A. benefits. However, needy students should contact the financial aid office and express their needs. The contact person in Student Services (Financial aid) is Lisa Ledbetter (704) 216-3620.

17. What is this “TABE” placement test you are talking about?

Students should complete an on-line enrollment application and schedule the TABE placement test. The college website is www.rccc.edu

*Note:* This test can be taken at either North (Salisbury) or South (Concord) campus testing centers. Upon arrival for the test, students should identify themselves as prospective Basic Law Enforcement Training Students.

Deliver the test results to the School Director in the Law Enforcement Training Office.  

*Note:* Students must complete the TABE placement test and earn a minimum score of 597 in order to enroll in the Basic Law Enforcement Training Course, NCAC 09B.0203. The test results equivalent to a score on the tenth-grade reading comprehension level from a Nationally recognized standardized test will suffice, and a student will not need to take the TABE. The school shall not admit an individual, including partial or limited enrollees, as a trainee in a presentation of the Basic Law Enforcement Training Course unless the individual, within one year prior to admission to Basic law Enforcement Training, earning a minimum score of 597 as a result of taking TABE Placement test as approved by the State Board of Community Colleges. It is highly recommended students enroll in a developmental reading course prior to re-testing. There is no initial charge for prospective Basic Law Enforcement Training students. However, there is a five dollar ($5.00) charge for re-test.

18. What do I need to do in preparation for the physical requirements of the course? Do I need to join a gym?

Once you have been examined and cleared by your physician, you can begin working on building your upper body strength and cardio-vascular endurance. This can be accomplished simply by doing sit-ups, push-ups and walking/running. There is no requirement for you to join a gym.

19. I was recently discharged from the U.S. Military. Can I wear my black combat boots or low quarter shoes to class?

Yes. Any regular black leather shoe will be fine. The military shoe (black leather) will work fine. I would simply get a shoe I could polish, keep shined and looking nice.

20. Can I wear BDU’s (Battle Dress Uniform) khaki pants to the class?

No. Only 5.11 navy TacLite pants from our uniform vendor are allowed. Also, we do not want any type tapered/boot leg/bell bottom pants. No bloused boots are allowed.
21. **I have a felony charge on my record from many years ago. Can I still become an officer or enroll in Basic Law Enforcement Training?**

No. A Felony Conviction is an absolute Disqualification from certification as a North Carolina Law Enforcement Officer or enrollment into Basic Law Enforcement Training for life.

**Note:** Individuals charged with crimes as specified above and such offenses were dismissed or the person was found not guilty, may be admitted into the Basic Law Enforcement Training Course but completion of the course may not ensure that certification as a law enforcement officer through the North Carolina Criminal Justice Education and Training Standards Commission will be issued. These cases will be reviewed by North Carolina Criminal Justice Education Training & Standards Division on a case by case basis.

22. **I have a special family event (wedding, fishing trip, vacation etc.) in another State planned halfway through the course I will need be absent from class for a week in order to attend. Will I be able to attend this event while enrolled?**

The answer to this question is NO. You will not be able to attend. This would not be considered to be an excused absence. Once you decide to enroll in this course, it needs to be your priority in order to be successful. Prior preparation on your part is of paramount importance. You will need to get all your personal issues in order prior to enrolling.

23. **Do I register during the regular College Registration or do I register On-Line?**

No. You can not register for this course during the regular college registration. However, you will need to complete an **on-line enrollment application** and **schedule the Tier 1 of the RISE placement test.** (See question #17). You will then need to follow the instructions in the Basic Law Enforcement Training Application packet. Once all entry requirements are met, you will be pre-registered for the course. Your actual registration for the course will be completed on the first day/night of the class.
