

**NEW!**

# AGRIPRENEUR *Academy* & NETWORK

Interest continues to grow nationwide in agriculture and locally-sourced food products. With our area's strong history and presence in agriculture, we're pleased to launch the Agripreneur Academy.

- Designed to be a single educational resource for new and established agriculture-related businesses.
- A collaboration between education, business, economic development and other agriculture entities.

Educational sessions offered throughout the year at various locations. The Agripreneur Academy will address several phases of sustainable agriculture from planting seeds to reaping a profit!
